*Dear Friends and Neighbors,*

*My mentor Sarah Weddington, the attorney who successfully argued Roe v. Wade had a woman's freedom on her mind and in her heart when she fought for our freedom and bodily autonomy 48 years ago. Women have a constitutional right to make decisions about their own bodies, and that choice must always be protected as provided under Roe and subsequent Supreme Court decisions. We take pride in the strength of our pro-choice legislation, enshrining and codifying a woman's right to choose in New York State. We must expand reproductive for all across our nation.*

*We have been inundated with calls and emails from concerned constituents who have not been able to make an appointment for the covid vaccination. Barriers to vaccination sites and limited supply are pressing issues surrounding vaccine access. We have joined forces with Manhattan Borough President Gale Brewer on her COVID-19 Vaccination Task Force to streamline the delivery of this lifesaving vaccine in Manhattan. Additionally, we called on the Mayor and the Governor to establish a dedicated vaccination site for Roosevelt Island. The large network of distribution sites is ready to get more vaccines to New Yorkers, awaiting the supply from the federal government.*

*This Virtual Town Hall Tuesday on January 26 will feature Dr. Jeffrey Fisher of New York-Presbyterian, Weill Medical College- Cornell University, and Dr. Daniel J. Baker, the Medical Director of the Lenox Hill Hospital Manhattan Eye, Ear and Throat Hospital.*

*Save the date for my virtual swearing-in ceremony on Tuesday, February 9 at 7 pm on facebook live featuring the sensational singer Marilyn Maye, and Roosevelt Island Girl Scout Troop 3233.*

*Stay safe, wash your hands frequently, keep your social distance, and wear your face-covering! Please don't hesitate to reach out to our community office if we can be of assistance.*
