A message from Assembly Member Rebecca A. Seawright:

Dear Friends and Neighbors,

I am pleased to provide you with the 2026 New York City Parking Calendar.

It lists the days of the year that certain parking regulations are suspended throughout the five boroughs. Be sure to read all parking signs carefully. Following parking regulations helps with street cleaning and reduces traffic congestion.

Drive safely, and remember to buckle up.

Sincerely,

Rebecca A. Seawright
Member of Assembly

Alternate Side Parking

Alternate Side Parking (ASP) rules allow for street cleaning. Most ASP signs are marked with the "P" symbol with the broom through it and indicate the days and times parking isn't allowed. Some metered parking zones have ASP rules. Each year, the city suspends ASP rules on certain legal and religious holidays. This brochure lists the holidays with suspended ASP for 2026.

The city may also suspend ASP rules because of snow, inclement weather or other emergencies. **Visit nyc.gov/dot** or dial **311** for further information. Deaf or hard of hearing TTY users, dial **212-504-4115**.

When ASP is suspended for a holiday or other reason, the parking meters remain in effect, and you must still follow any other posted parking time limits and rules.

Parking tickets

Parking tickets may be paid online via CityPay at **nyc.gov/citypay**, using the **NYC P-Ticket Pay or Dispute** app on your mobile device, by mail (make checks payable to "NYC Department of Finance") or in person at a DOF Business Center.

Alternate Side Parking rules are suspended on the following holidays:

* Major Legal Holiday rules

On major legal holidays, in addition to ASP being suspended, you can park at a No Stopping, No Standing, or No Parking sign unless the rule is normally in effect seven days a week (for example: "No Standing Anytime"). Parking meter regulations are also suspended on major legal holidays. **On all other holidays, only street cleaning rules are suspended.**
