Since Hurricane Ida, NYS DEC targeted 6 Westchester Watersheds for state sponsored Watershed Resilient Stream Studies to assist communities in identifying flood mitigation projects and advance the process of securing funding for projects. The workshop will include a status report on these 6 watershed studies:

- | | |
|------------------------------------|-------------------------|
| Blind Brook | Hutchinson River |
| Beaver Swamp Brook | Bronx River |
| Mamaroneck Sheldrake Rivers | Saw Mill River |

Networking opportunities with informational tables available from our co-sponsors.
