Assemblyman Karl Brabenec

Priority: Safe Roads & Clean Water

Karl knows continued investment in our roads, highways, and bridges means safe travel for our families. It means jobs for New Yorkers. And it means peace of mind when our kids step onto the school bus.

Assemblyman Karl Brabenec is fighting to keep our families healthy and safe by working to secure a \$2 billion investment to:

Protect our aquifers, tributaries, and source water

Remove and replace faulty and dangerous lead pipes

Help our local towns and villages upgrade and maintain wastewater infrastructure
