When some politicians in the Assembly wanted to give driver's licenses to illegal immigrants, Assemblyman Karl Brabenec was outraged (A.3675-B).

"...How can we be sure that someone who is already here illegally breaking the law will obtain car insurance, undergo routine state-required inspections and obey traffic laws? Our priority should be empowering and advancing the lives of legal citizens, not illegal immigrants." *Assemblyman Karl Brabenec on Spectrum News, February 6, 2019*
