THE IMPORTANCE OF THE ADOPT-A-HIGHWAY PROGRAM

The Adopt-A-Highway Program, launched in the late 1980s, supports our local highway departments. Today, it fosters community engagement and pride while ensuring safe, clean roads for all.

WHO CAN ADOPT A HIGHWAY?

Businesses, organizations, even individuals or families can adopt highways. New York State's DOT partners with civic, fraternal, service, youth, senior citizen, scout, school, church, synagogue and neighborhood organizations for these road care projects.

WHAT DOES AN ADOPTER DO?

Adopters commit to picking up litter along their section of the highway at least four times a year for two years. Highway sections are usually divided into two-mile-long stretches. Adopters may also beautify with roadside mowing or planting flowers and can keep any proceeds earned from recycling trash.

WHO DO I CONTACT TO START THIS PROCESS?

You can reach out to my office at 1-845-544-7551, and my team and I can help put you in touch with the good people who manage the Adopt-A-Highway program.

WHERE CAN I FIND MORE INFORMATION?
