# Dear Neighbor,

*I've been hard at work as your newly-elected NYS Assemblyman representing you in Albany and working on the issues that matter most to families all across the district. Here are some items I sponsor and have spoken up on:*

- ✓ Lift up families by fighting for expanded tax credits and affordable childcare ( A.1879, A.1885, A.6013) and protect energy choice and consumer assistance information (A.2859),
- ✓ Keep children safe and strengthen families (A.1276, A.2323, A.3346A, A.6148),
- ✓ Address school safety\* and meals for all students (A.1941),
- ✓ Bolster support for mental health issues (A.1020, A.4971) and those who have developmental disabilities (A.2798, A.3328),
- ✓ Make our communities safer, support law enforcement (A.1530) and address bail reform by giving judges more discretion (A.5992), and
- ✓ Keep young people and their talent here in New York and revitalize economic development.\*\*

*What's a concern or idea you have? I'd love to hear it. Give me a call and we can make an appointment to talk.*

*-Brian*
