ASSEMBLYMAN CHRIS
Tague

Chris knows how much our law enforcement professionals sacrifice to keep all of us safe. Officers dedicate their lives to protecting our communities, and Chris wants to do all he can to help them preserve law and order in our neighborhoods.

Chris is taking a stand for our law enforcement officers by:

- Fighting to create a law that makes the obstruction of a police officer while performing their duties a crime (A.08528)
- Working to establish the police canine vest fund to purchase and maintain ballistic body armor for K9 police dogs (A.07324)
- Advocating to implement officer interaction training in pre-licensing courses for new applicants seeking a driver's license (A.01374A)
- Promoting passage of a bill that would create a program to hire retired law enforcement personnel as school resource officers to protect our kids in schools (A.03732)
