SUPPORTING FAMILIES AS THEY WORK AND GROW

"I'm fighting to support working families by expanding child care options that work for parents and providers. That's why I'm backing smarter solutions including alternative child care approaches, tax breaks that allow for capital improvements and expansion, and tax incentives to encourage more day care centers in our communities."

MORE ACCESSIBLE OPTIONS FOR PARENTS AND CHILDREN

I am supporting alternative child-care solutions to be implemented into law in New York State. (A.2265)

HELPING CHILD-CARE FACILITIES EXPAND

I am backing a capital improvement tax credit to help providers improve and expand facilities so more spaces become available for families. (A.2392)

INCENTIVIZING CHILD-CARE DEVELOPMENT IN NEW YORK

I want to offer a partial real property tax exemption for local municipalities to encourage the development of child day-care centers. (A.2002)
