As a former Councilman and a current Assemblyman, I have always been dedicated to championing the interests of small businesses and non-profits, along with their dedicated owners. By promoting transparent and sincere dialogue, we have consistently worked together to advocate for more favorable policies and reduced tax burdens. Amid the ongoing challenges of recovering from the impact of the COVID-19 pandemic and rising inflation, I want to express my heartfelt appreciation to our local businesses for their unwavering contributions to the prosperity of our community. I remain steadfast in my commitment to supporting the resilient business community of Dutchess County and will continue to tirelessly advocate for them in Albany.

Sincerely,

Anil Beephan, Jr.
