*Look inside for bodies of  
water to explore in our  
beautiful Hudson Valley!*

Dear Neighbor,

### **Water you waiting for?**

We have so many beautiful lakes, ponds, creeks, waterfalls and, of course, our iconic Hudson River in our region that I want to encourage you to make a splash this season – or simply to relax and enjoy a water view. Whether you're yearning to take a cooling dip during the dog days of summer, bask in the serene view of a sparkling waterfall, take out a kayak or paddle a canoe, the beautiful Hudson Valley has what you're looking for!

There's so much to enjoy this season, and the fun can continue throughout the year. To get your feet wet, look inside for some wonderful waterfront sites across Dutchess and Columbia counties. I hope this

season has you enjoying time in nature and with loved ones – or both at the same time – as you explore all our special Hudson Valley region has to offer!

Warmly,

Member of Assembly,  
106th District
