A Message from Scott

Let's face it, prices are rising¹ and families are feeling it. Whether you're putting your children through daycare², buying groceries¹, or just trying to keep the lights on³, it's getting harder for families to make ends meet in New York. Affordability isn't a buzzword. It's something people are struggling with every day. That's why I'm focused on one thing: helping you keep more of your hard-earned money.

MY PLAN WOULD BE:

CUT SALES TAX ON EVERYDAY ESSENTIALS

What it means: No state sales tax for two years on common items like gas, personal care products, cleaning supplies, and prepared foods — giving you immediate relief at the register. (A.7417)

AN HONEST LOOK AT ENERGY COSTS

What it means: Allow schools to keep natural gas and propane as available, affordable energy options for school buses. (A.2005)

AFFORDABLE CHILD CARE

What it means: Extra financial help to people who work and have to pay for child care or care for a dependent, such as an elderly or disabled family member. (A.2314)
