HELP A NEIGHBOR IN NEED – DONATE BLOOD!

WHY SHOULD YOU DONATE?

- Blood or platelets are needed every 2 seconds nationwide
- In the U.S., nearly 5,000 units of platelets are needed daily
- Only 3% of age-eligible people donate blood yearly
- Each whole blood donation can save up to three lives

ARE YOU ELIGIBLE?

- Must be at least 17 years old, or 16 with a signed parental permission form
- Must weigh at least 110 pounds
- Must be in good health and feel well on the day of donation
- Must not have donated blood within the last 56 days (donations can be made every 56 days, up to six times a year)
- First-time blood donors are welcome
