STAND AGAINST Thruway toll hikes

Dear Neighbor,

I write to ask for your help in my fight to stop Thruway toll hikes.

The Thruway is a vital resource in the Capital Region, connecting us to the far reaches of our state. That said, here in upstate New York, we pay more than our fair share, and I'm ready to fight tooth and nail against any toll hikes on upstate drivers to pay for the Tappan Zee Bridge. It's completely unfair to make our families and businesses pay for construction of a bridge that's more than 150 miles away! We should instead be focusing on repairing and maintaining our own local roads and bridges.

This is a fight we had before and won, and together we can do it again! In 2012, when a 45 percent toll hike on large trucks was proposed, I called for its immediate withdrawal in a letter to the Thruway Authority; and in 2014, we successfully fought back against a similar proposal to increase tolls to pay for the Tappan Zee Bridge. As your Assemblyman, I'm ready to do it again, and you can help.

Sincerely,

Assemblyman Angelo Santabarbara
