

Dear Friend,

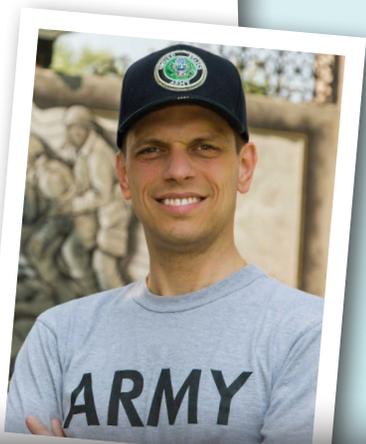

As your Assemblyman, I'm here for you every day.

I've lived here my whole life, and I'm focused on making our home a better place for our families. We've made a lot of progress so far, giving those with disabilities a voice in Albany, supporting our veterans, rebuilding our roads and bridges, replacing old pipes and water mains, but there's still more to do!

Your thoughts, ideas and concerns help me serve our community. I encourage you to call me, send me an email or visit my website at any time. This is our home, and I want to hear from you.
