"From providing our first responders with the best equipment possible to keep our families safe to investing in technology for our local libraries, my top priority will always be ensuring the communities in the 113th Assembly District have the representation they need and deserve."

Assemblywoman Carrie Woerner:

Taking Care of Easton

Assemblywoman Woerner: Supporting our communities

$250,000
For the renovation of Burton Hall

$500,000
For Future Farmers of America (FFA)

$10,000
For the Easton-Greenwich Rescue Squad

$5,000
For the Easton Library

Easton

Supporting our first responders

To better protect our neighborhoods, Assemblywoman Woerner helped secure $10,000 for the Easton-Greenwich Rescue Squad. This funding allowed the rescue squad to upgrade their ambulance equipment.

Improving local libraries

Our local libraries provide residents with critical tools and resources that enrich their learning and allow them to broaden their perspectives. Assemblywoman Woerner helped secure $5,000 in funding for the Easton Library to purchase desktop computers and a multimedia system so more residents can access the technology they need.

Revitalizing historic landmarks

Assemblywoman Woerner secured $250,000 for the renovation of Burton Hall, an important landmark in Easton's history and, currently, the center for numerous community activities and town meetings. The funding was secured in two $125,000 installments, the second of which is still in progress.

Supporting our future farmers

Assemblywoman Woerner secured $500,000 in grant funding for the Greenwich Future Farmers of America (FFA) to purchase ag-tech equipment, which is shared between local FFA programs in Washington County, including the Greenwich FFA chapter.

Note: To ensure the legitimacy and integrity of each project, grants are subject to oversight from the Division of Budget, Attorney General and State Comptroller. Allocations are made on an ongoing basis.
