# Supporting Families As They Work And Grow

*"Rural regions face unique challenges due to persistent child-care deserts, and when assistance becomes unavailable, families often have nowhere else to turn. That's why I'm fighting for sustainable funding, targeted reforms, and practical solutions that expand access, support providers, and deliver real relief without empty promises."*

## **MORE ACCESSIBLE OPTIONS FOR PARENTS AND CHILDREN**

I am supporting alternative child care solutions to be implemented into law in New York State (A.2265)

## **HELPING CHILD CARE FACILITIES EXPAND**

I am backing a capital improvement tax credit to help providers improve and expand facilities so more spaces become available for families. (A.2392)

## **INCENTIVIZING CHILD CARE DEVELOPMENT IN NEW YORK**

I want to offer a partial real property tax exemption for local municipalities that encourage the development of child day care centers (A.2002)

## **RELIABLE FUNDING FOR CHILD CARE ASSISTANCE PROGRAM (CCAP)**

Our families are our future which is why we need to invest in them.
