SCOTT GRAY

A STRONG VOICE FOR THE NORTH COUNTRY

ASSEMBLYMAN
SCOTT GRAY

1. Assemblyman Gray's 2023 Legislative Survey Results

90% of people in our communities
believe New York is on the wrong track.

Worsening crime and unsafe communities

High taxes draining the middle class

State overreach on local issues

THE RESULTS 'ARE IN'

IT'S TIME TO PUT OUR COMMUNITIES FIRST

SOME OF THE THINGS I'VE BEEN WORKING ON THIS YEAR:

- ✔ Giving local governments and community members the final say in accepting and placing migrants in their jurisdiction (A.8072)
- ✔ Prohibiting the use of SUNY dorms for housing migrants (A.7566)
- ✔ Designating "swatting" as a more severe crime to combat the rise in false police reports with intent to cause chaos and disruption (A.2977)
- ✔ Reducing repetitive background checks for the purchase/sale of ammunition (A.8161)
- ✔ Giving support to New York's agricultural industry by allowing certain agricultural truckers to transport their products free of charge using the NYS Thruway (A.5352)
- ✔ Preventing the promotion of cannabis products on signage and restricting signage to only acknowledge premise location (A.8200)

SOME OF THE LEGISLATION I HAVE PROUDLY ADVOCATED FOR:

- ✔ Banning the sale of non-child-resistant cannabis products (A.6666)
- ✔ Prohibiting the removal of fossil fuel combustion systems in new buildings (A.6841)
- ✔ Requiring a cost-benefit analysis of renewable energy in New York compared to other electricity generation methods (A.5198)
- ✔ Establishing a retirement service credit for volunteer fire or emergency service (A.5450)

NEXT YEAR, MY FOCUS WILL BE TO:

- ✔ Protect local control and empower local governments to make decisions on the migrant crisis
- ✔ Fight against tax increases and a bloating state budget
- ✔ Prioritize community safety and strengthen penalties against criminals
- ✔ Remain steadfast with my colleagues in our support of Israel
