# BRINGING OUR VALUES TO ALBANY

Ken Blankenbush knows what government should do: promote public safety, invest in infrastructure and educate our kids. Some lawmakers had other ideas. Ken fought against their budget resolution because he believes we work too hard to pay for wasteful programs that won't help our families or our neighbors.

- **VOTED NO** on their \$2 billion tax hike.\*
- **VOTED NO** on slapping new surcharges and fees on job creators and business owners.\*
- **VOTED NO** on free college for illegals.\*
- **VOTED NO** on limiting school tax savings for families and seniors.\*

Assemblyman Blankenbush and his colleagues in the Senate negotiated a better budget for the middle class that:

- ▶ **Defeated the proposal to raise taxes by \$2 billion.\*\***
- ▶ **Protected the historic \$4.2 billion middle-class tax cut that will continue to reduce rates for families and small businesses.\*\***
- ▶ **Saved homeowners nearly \$50 million by defeating the cap on STAR savings.\*\***
- ▶ **Balanced the budget deficit.\*\***
