Meet Our New Assemblyman, Robert Smullen

Robert has spent a lifetime giving back to his country, state, and community. After serving 24 years in the Marine Corps, ultimately achieving the rank of Colonel, and years as a senior environmental leader protecting our waterways and natural resources, he was inspired by the call to continue his service in the State Legislature. As our Assemblyman, Robert will:

- **Fight to ensure that the Property Tax Cap becomes permanent**
- **Change Albany's culture of corruption by keeping money out of politics**
- **Oppose any further infringement on our Second Amendment rights**

Robert Smullen is a retired member of the US Navy's Marine Corps. Use of his military rank, job titles, and photographs in uniform does not imply endorsement by the Department of the Navy nor the Department of Defense.
