Investing in Lifelong Learning

Robert
Smullen
Our Assemblyman

WORKING TOGETHER TO ENSURE LIFELONG LEARNING IN OUR COMMUNITIES.

Funding for our Schools

In order for our communities to grow and prosper, we need to make smart investments in our education system. When we work together to advocate for our schools, we get results. **We succeeded in securing an additional \$18.9 million in K-12 school funding for our district, bringing total funding for schools in the 118th Assembly District to over \$528 million.**

Thank you!

Funding for our Libraries

Assemblyman Robert Smullen also fought to restore **\$96.6 million in total Library Aid** and, as the ranking minority member on the Libraries and Education Technology Committee, he helped to restore **\$34 million in funding for library construction grants** (A.8434 of 2019).

Robert Smullen was also pleased to announce over \$230,000 in additional library grants throughout our district.
