PROPOSALS I SUPPORTED THAT **SUCCESSFULLY PASSED** IN THE NEW YORK STATE ASSEMBLY AND SENATE THIS YEAR:

- **The “Alexander John Smullen Traffic Safety Memorial Law”** (A.3938-B/S.5568-B) will establish a traffic safety sign program to publicly memorialize the victims of fatal vehicle collisions.
- Assembly Bill A.7011-A will **increase the donor pool for New Yorkers in need of eye, tissue and/or organ transplants** by allowing individuals to register with the New York State Donate Life Registry when they file their income taxes.
- Assembly Bill A.8330-A will **help make hunting more accessible for New Yorkers** by expanding the use of crossbows during the regular hunting season.

PROPOSALS I OPPOSED THAT WERE **SUCCESSFULLY BLOCKED** THIS YEAR:

- ▶ Assembly Bill A.4881 **would have allowed the governor to delay special elections** statewide.
- ▶ The Packaging Reduction and Recycling Infrastructure Act (A.1749) **could have potentially cost New York families \$456 to \$732** annually.

NEXT YEAR, I WILL CONTINUE TO:

Fight to lower taxes and lessen regulations imposed on local businesses and families;

Increase support services for first responders, law enforcement, veterans and active service military personnel;

Improve public safety and New York’s crippled criminal justice system; and

Promote the New York State Donate Life Registry statewide and help increase the number of eligible organ/eye/tissue donors available to save lives.

For any questions about these or other issues, please contact Assemblyman Smullen at his district office at: 315-866-1632, 5659 State Route 5, Suites 1-3, Herkimer, NY 13350, smullenr@nyassembly.gov
