Date: Wednesday, October 21, 2026

Time: 10 a.m. – 4 p.m.

If you have insurance, most plans fully cover screening mammograms, but we recommend confirming your coverage before scheduling. Upstate will bill your insurance directly, and you are responsible for any costs not covered. If you do not have insurance, the Cancer Services Program can usually cover the cost of your screening. Let us know when scheduling, and we'll help connect you with the program.
