GETTING BACK TO BUSINESS

Our economy is struggling under New York's regressive business philosophy. We need to do better for our neighbors. I've sponsored several bills that invest in businesses and workers across New York, including:

- ✓ Investing in rural communities to foster job growth and economic development **(A.2552)**
- ✓ Helping employers find qualified workers with a college-to-work tax credit **(A.5345)**
- ✓ Incentivizing local chambers of commerce to help people start businesses **(A.5349)**
- ✓ Providing a pre-tax child and dependent care savings account for employees of small businesses **(A.5758)**
