Law Enforcement: *John Lemondes Has Their Backs*

It's no secret that public safety is on everyone's mind. That's why John Lemondes has been hard at work in Albany to provide protections for our law enforcement officers.

Here is some of what John has been working on to support our men and women in blue:

- 1) A.3481 3) A.1503
- 2) A.2255 4) A.5013-A

-  Reinstatement of the death penalty or requirement of life without parole for first degree murder of a police officer.¹
-  Designation of the month of September as Firefighter, Police Officer and Emergency Medical Technician Appreciation Month.²
-  Granting judges the ability to use more discretion to set bail on gun crimes.³
-  Providing state correction officers with an optional 20-year retirement plan.⁴
