

**“I fought to create more economic opportunity in our region so everyone can succeed. I’ll keep fighting to grow our local economy and ensure that our families can get ahead.”**

**– Assemblyman Al Stirpe**

**Assemblyman AL STIRPE**

Delivering results for

**Central New York**

# Assemblyman Stirpe is helping families and businesses get ahead

\$1.5 million in CHIPs funding to help make needed upgrades to our local infrastructure

\$3 million for the Centerstate Corporation for Economic Opportunity to help entrepreneurs grow their businesses

\$31 million to help local farmers compete in the global economy

\$950 million for the Regional Economic Development Councils to support revitalization efforts in Central New York and across New York State

## Assemblyman Stirpe is helping grow local businesses

- Helped launch the Global NY Fund to help small and medium-sized businesses develop and expand their export capacity
- Introduced legislation to lower the cost of a food processing license for small-scale producers to make it easier for them to enter the food market
