

SEASON'S
Greetings

from Assemblymember Pamela J. Hunter

Dear Friend,

I want to wish you and your family a safe and joyous holiday season.

My family and I are looking forward to enjoying Central New York's many holiday events. I hope you will join me in taking advantage of everything our community has to offer during this time of year.

In the New Year, I'll be fighting for what matters most to us – good jobs, better schools and investment in infrastructure – to make our community a better place to live.

Feel free to contact me at my district office in Syracuse should you have any questions or concerns.

Sincerely yours,

Assemblymember Pamela J. Hunter
