Assemblyman Magnarelli's 2024 Constituent Survey

- 1 Would you support legislation that would increase the use of speed cameras, both locally and on State highways including the Thruway? Yes No
- 2 Should the State determine how long a tenant can stay in a private apartment or rental home and how much the landlord may charge for rent? Yes No
- 3 There is an affordable housing crisis in New York. Do you support efforts to use State funds to increase the number of housing units available to our citizens? Yes No
- 4 Do you want any of your taxes to fund political campaigns? Yes No
- 5 Do you support the NY HEAT Act (A.4592-A)? This bill would require the NYS Public Service Commission to adopt policies to wind down the use of natural gas in buildings. It does this by removing the requirement in law that natural gas hookups be provided to every building that requests it and removes subsidies currently provided to cover the cost of new natural gas hookups. Yes No
- 6 The Bigger Better Bottle Bill (A.6353), would raise the deposit amount from 5 to 10 cents in New York and expand the types of containers, including sports drinks, wine, and liquor bottles, that fall under the deposit as a way to keep these containers out of landfills. Do you support this legislation? Yes No

- 7 Do you support the creation of a permanent "excluded workers" fund (A.4821)? This bill would create a permanent fund to provide unemployment assistance to undocumented workers and other workers (e.g. freelancers, gig workers) not eligible for unemployment benefits. Yes No
