

# Assemblyman Jeff Gallahan 2021 Legislative Update

Jeff★  
Gallahan  
STATE ASSEMBLYMAN

New York State Assembly  
Albany, NY 12248

PRSR STD.  
US Postage  
PAID  
Albany, NY  
Permit No. 75

In my first year serving as your Assemblyman, I traveled to Albany regularly to defend the interests of our region, working to put small

businesses, working families, veterans, and our constitutional rights first. I fought to ensure our area received our fair share in state funding for local roads, schools, water quality projects and more, while leading efforts to hold the line on taxes. During this COVID-19 impacted year, which has been difficult for so many, it has been a privilege to serve our 131st District and work on your behalf.

## Assemblyman Gallahan voted NO on these measures:

- ✘ A \$2.1 billion stimulus fund to give undocumented immigrants unemployment benefits (A.3003-C)
- ✘ A 9.7% spending increase over last year's budget, a \$212 billion spending plan that's the most expensive in our state's history at the time of enactment
- ✘ \$7.3 million in taxpayer dollars to fund political campaigns (A.3000-D)
- ✘ A cut to in-patient mental health beds (A.3000-D)

## Assemblyman Gallahan instead supported these important proposals, among many others:

- ✔ A bill that would provide a tax credit to businesses in New York state that sell New York state products (A.4631)
- ✔ Legislation that would establish term limits on leadership positions (A.4927)
- ✔ Fully repealing bail reform laws, which have caused many criminals to be released back into their community after their arrest, after which, many of whom have gone on to reoffend (A.4349)
- ✔ A bill that would create a wage tax credit for employers who employ New York National Guard men and women, reservists, volunteer firefighters, and EMS personnel (A.3681)
