Our Assemblywoman, Marjorie Byrnes, has been fighting to make New York State more affordable for everyone:

- ✔ Marje voted 18 times against tax hikes to save us more than \$22.6 billion*
- ✔ She sponsors legislation known as the Inflation Relief and Consumer Assistance Plan that would eliminate the State Sales Tax on gasoline taxes for two years AND cut taxes on household essentials like cleaning products, personal care items and more (A.8481)
- ✔ Marje voted 10 times to cut taxes, saving us more than \$5.1 billion.* This included the acceleration of the Middle-Class Tax Cut and creation of the Homeowner Real Property Tax Rebate Checks, worth \$2.2 billion.
