**JOSH JENSEN**  
OUR ASSEMBLYMAN

## Josh's Economic Recovery Plan:

1

Restore legislative authority, limit the Governor's expanded powers, and increase local power during future emergencies (A.10546, of 2020).

2

Utilize Regional Economic Development Councils for disaster recovery.

3

Repurpose and utilize public investments into our region's economy.

4

Implement the "NY Business Emergency Relief Act of 2021" to help small businesses keep their doors open.

5

Implement a 180-day "regulatory amnesty" period to allow small businesses to remedy rules or regulation violations without being subjected to fines or penalties.
