

Assemblymember Harry B. Bronson is working to strengthen Rochester's economy

“It’s a time for great opportunity in the Rochester area, and a trained workforce ready to take on high-tech jobs is crucial for our growing economy.”

- Harry B. Bronson

Assemblymember Bronson knows investments will create new jobs

- ✓ **\$250 million from NYS, \$110 million from the federal government and \$250 million from private-sector partners** to establish the Integrated Photonics Institute for Manufacturing Innovation
- ✓ **\$500 million NYS Regional Economic Development Award** to the Finger Lakes region will spur economic development and job creation

Bronson is ensuring our workforce has the training and skills needed to succeed

- ✓ **Bronson is chair of the Legislative Commission on Skills Development and Career Education** and an active member of Rochester's Workforce Development Task Force
- ✓ He has long supported an apprenticeship model and **has introduced legislation to give tax credits to employers who take apprentices**
- ✓ Bronson supports increasing the minimum wage because he believes **no one who works full time should live in poverty**
