Keeping Farming Alive in NYS

Assemblyman Steve Hawley is an eleven-time recipient of the New York Farm Bureau Circle of Friends Award.

Leading with actions; not just words.

He sponsored over 30 bills promoting agriculture, including:

A.2952A Enacts the "New York Farmer Recruitment and Retention Act of 2016" and appropriates monies to implement certain provisions thereof

A2758 Requires additional 10% funding of agricultural environmental programs implemented in watersheds deemed critical to recreational fishing

A1854 Provides that excess investment tax credit amounts may be refundable to operators of a farm operation

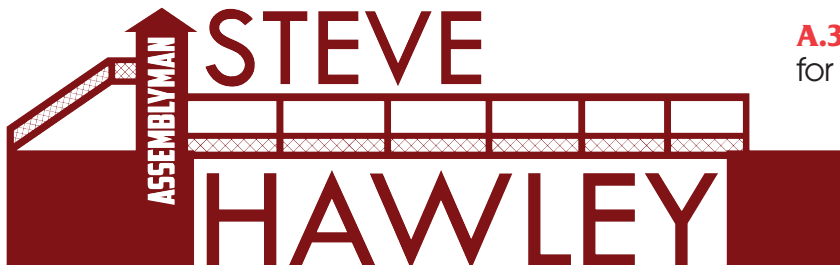

A.3358 Extends eligibility for the agricultural

property tax credit to farmers having a leasehold interest of not less than five continuous years in qualified agricultural property

A.3435 Repeals the costly 18-a utility tax

When it comes to defending farmers and our way of life, there's no one stronger than Assemblyman Steve Hawley.
