## WHAT'S HAPPENED?

- ◆ COVID-19 lockdowns have forced us to shut down on a large scale
- ◆ Businesses and workers have adapted to new health regulations and concerns
- ◆ Treasured community events like our annual Patriot Trip, community parades, and county fairs have been postponed in the interest of ensuring safety

## THROUGH IT ALL, THE COMMUNITY CAME TOGETHER TO SUPPORT ONE ANOTHER:

- ◆ Several food drives have been held to support neighbors in need
- ◆ Driving parades for friends and family have been conducted for birthdays and graduations
- ◆ Compassion and partnership have been highlighted
- ◆ Our healthcare workers, firefighters, police officers, and public servants have worked dutifully with the support of their communities to care for them.

WESTERN NEW YORK  
HAS NEVER BEEN  
MORE UNITED, AND  
MOVING FORWARD,  
IT WILL BE STRONGER  
THAN EVER
