SINGLE-USE
PLASTIC CONTAINERS

K-CUPS

PLASTIC UTENSILS

6-PACK CAN RINGS

New York State recently passed a law that phases out most single-use plastic shopping bags by March 2020.

Do you have ideas on how to further address plastic pollution?

Assemblyman Burke wants to hear from you!

**PATRICK
BURKE**
NEW YORK STATE ASSEMBLY

Together, we can fight the plastic crisis by rejecting single-use plastic bags and working toward cleaner communities and waterways.
