

**Dear Neighbor,**

Autumn has arrived, and it's a wonderful time for families to get outside, explore our local parks and enjoy all that Western New York has to offer. While you're enjoying the fresh air and scenery, don't forget to bring along your camera and notebook. If you snap a great photo or jot down a poem, you can enter it in my contest. I'm looking for artwork created by you that captures the beauty and spirit of our region, and I'll be selecting pieces to be displayed in my office. I look forward to seeing your creative submissions!

From banning most plastic bags statewide (Ch. 58 of 2019) to taking proactive steps to combat climate change (Ch. 106 of 2019), I've been working hard over the past year to protect our environment. While we've come a long way, our work is far from over. I'll continue doing everything I can to keep our parks clean and ensure our neighborhoods are healthy places to live for generations to come.

Sincerely,  
Assemblyman Pat Burke
