For anyone who hasn't completed the census yet, the U.S. Census Bureau has extended the deadline.

Why is the 2020 Census important?

- ✓ It's the law to complete the census and the deadline is fast approaching!
- ✓ Our community risks losing federal representation and badly needed federal resources if everyone does not complete the census on time!
- ✓ Most of your neighbors have already filled out their census forms and we need you to fill out yours!
