— ASSEMBLYMAN —

The Challenge Families Face

"From child care costs to health insurance premiums, families across Western New York are feeling the pain.^{1,2} Parents shouldn't have to choose between going to work and finding quality child care. Families shouldn't have to worry about whether their children, parents, or grandparents can afford to go to the doctor. As your assemblyman, I'm working to make both more affordable, more accessible, and easier for families to navigate."

Making Child Care More Affordable & Accessible

I've co-sponsored legislation that would:

- ✓ Increase tax incentives that encourage businesses to create and expand child care options for working parents. (A.2393)
- ✓ Provide local communities with tools to support child care providers and create more available openings. (A.2002)
- ✓ Deliver additional tax relief to families facing rising child care expenses and help keep parents in the workforce. (A.2314)

Keeping Quality Health Care Within Reach

I've co-sponsored bills that would:

- ✓ Expand access to health insurance coverage, particularly for first-time enrollees. (A.9378)
- ✓ Increase outreach to help eligible families enroll in available programs. (A.9405)
- ✓ Increase transparency on the true costs of health benefit mandates. (A.9367)
- ✓ Establish health care savings accounts that help families save for qualified medical expenses. (A.9384)
