ASSEMBLYMAN ANGELO J. MORINELLO IS FIGHTING AND WINNING FOR THOSE WHO FIGHT FOR US

Assemblyman Angelo J. Morinello fought against a proposed \$5.7 million cut to veterans programs in the 2019-2020 New York State Budget. Following this battle, Morinello fought again to pass the Gold Star Tuition Bill, **winning both battles and restoring funding for the following programs:**

- **The Joseph P. Dwyer Program**, a peer-to-peer counseling and mental health program (A.2003-D)
- **The Veterans Benefit Advising Program**, providing money to various community based organizations with an array of services including benefits counseling, mental health services, and education (A.2003-D)
- **Gold Star Family Tuition Bill**, providing free college to SUNY and CUNY schools for families of military service members killed anywhere in the line of duty or disabled anywhere in the U.S. or overseas while performing official duties (A.02991)

Vietnam War veteran Angelo J. Morinello visits the Vietnam Traveling Memorial Wall to honor those who served and lost their lives in the war.
