**With crime rising in parts of the state<sup>1</sup>, we need solutions that will keep families safe at home, or out for a night on the town.**

Angelo Morinello believes public safety starts with getting repeat offenders off our streets and working hand-in-hand with our brave men and women in uniform.

**✓ Angelo's Plan:**

Keeps violent offenders off our streets by rolling back bail reforms and allowing judges to lock up any defendant who causes serious physical harm. (A.7772)

Gives school districts the option to provide a resource officer to ensure the safety of our future leaders and educators. (A.5494)

Invests \$250 million in training programs for first responders to help them better serve local residents. (A.8938)

Increases penalties for making threats against our brave members of law enforcement. (A.9157)

Protects our police officers by increasing the penalty for inciting violence against a police officer. (A.6563)

Makes it a violent felony to fire a gun into a crowded space, regardless of the outcome. (A.4259)

Protects first responders from having to release their personal records. (A.6599)
