Dear Friend,

As the new representative of the 146th Assembly District, I'll be your voice in Albany and work to deliver results for our families. Rest assured, I know our community well. I was born in Western New York, graduated from the University at Buffalo and raised my family in Williamsville. I know what makes our communities special.

You can count on me to fight for the issues that matter to us – quality public education, affordable health care, job growth, environmental initiatives and combating climate change. I look forward to meeting you in the coming months as we work together to find solutions to our community's concerns.

Sincerely,

Karen McMahon  
Member of Assembly
