### **Constituent Survey**

#### Dear Friend,

This past year has been difficult for all of us, but I'm proud of our community for coming together to look out for the health and safety of one another. I plan to continue this momentum in the Assembly and fight for legislation that protects our families, preserves our environment and supports businesses. In addition, I'll keep working to help residents and businesses secure the critical relief they need in these challenging times.

To that end, I encourage everyone to fill out my constituent survey. Your answers help me better advocate for our communities, which is especially important as we approach the April 1 state budget deadline. You can mail the survey directly to my office, or submit the form online at nyassembly.

gov/McMahon. Together, we can build a brighter future for Western New York.

Sincerely,

Karen M. Mrc Mahon
