

The Office of Assemblymember Jon D. Rivera is partnering with Village Engaged and the Hamburg Village Community Closet on a

WINTER CLOTHING DRIVE!

This upcoming event is meant to ensure that everyone in the Hamburg community has what they need to stay warm this winter. Kids grow out of coats and winter clothing each year, so by swapping instead of buying, we're not only saving an expense, but cutting down on clothing waste!

We are collecting hats, gloves, scarves, boots, coats, and snow gear.

The mission of the Village Community Closet is to make sure that everyone in Hamburg has access to the clothing they need, and that the clothing they are wearing makes them feel like their most authentic and confident selves. The closet is **100% donation based**, allowing the closet to provide what people request at no cost.
